MR. HENRY GREISCHAR

1900-1965

Mr. Henry Greischar was born in Richmond, Kansas, on December 2, 1900 and graduated from St. Mary's College, in Wisconsin at the age of 21. In 1930 Mildred Nies became his wife, and they made their home in Wisconsin. He received his master's degree from the University of Wisconsin in 1941 and ten years later was awarded an honorary degree of master of science from his alma-mater, St. Mary's College. Mr. Greischar first taught in Hobart Township at Henry S. Evans. After four years of teaching general science there, he moved to the new high school when it was completed in 1958. Besides teaching physical science and physics, he was active in athletics and extra-curricular activities. Mr. Greischar passed away on October 4, 1965, after 37 years of dedicated teaching in college and in public schools. He planned to retire after this school year.

The Ingot Staff respectfully dedicates this Volume of the 1966 Ingot to a man who gave many years of his life to the education of American youth.

Mr. Greischar was to retire after the 1965-66 school year after 12 years with Hobart Township schools. He was not only an exceptional science teacher, he was a very fine person. Mr. Greischar believed that education was more than a text book. And his sense of humor was as unique as his teaching ability. We will all miss him very much.

Loss and Possession, Death
and Life are one,
There falls no shadow where
there shines no sun.

RF principal, Mr. Richard G. Abel, sits at his desk which was occupied last year by Mr. Edward B. Weiss while Mr. Abel was junior high principal.

Mr. Clark Johnson as Hobart Township trustee goes over community problems in his office in the New Chicago Town Hall.

RF WELCOMES ABEL AS PRINCIPAL

After seven years as principal of River Forest, Mr. Edward B. Weiss, left after the 1964-65 school year to work on his doctorate at Indiana University. He was replaced by Mr. Richard Abel, former principal of River Forest Junior High. With him, Mr. Abel brought many new ideas and methods to the high school.

Mr. Abel was welcomed to his new position by Mr. Clark Johnson, township trustee, and Mr. Ben Zalas, assistant principal and athletic director.

Mrs. Eleanor Kekelik, school treasurer, Mrs. Doris Bartz, Mr. Abel's secretary, and Mrs. Dorothy Koontz, a new secretary who also worked in the junior high last year and who is now in charge of teacher credentials, make up the backbone of the office administration.

Most students are familiar with the main office. Mrs. Carlson stops in from the teachers' lounge and finds Mr. Abel and Mrs. Bartz busy on the office telephones.

Mrs. Kekelik, as school treasurer, handles all school bills, organization funds, and student dues. Mr. Abel's secretary, Mrs. Bartz, takes care of his correspondence and schedule.

Mr. Zalas, assistant principal, golf coach, and athletic director, reviews his library.

Anticipating their entrance into the business world, this salesmanship class studied under the guidance of Mr. Fred Baker.

Creativity is unlimited in the art department. Vera Stojanovich, Georgetta Kelley, Nancy Kaiser, and Janis Moore inspect their clay models as Ed Subartowiz finishes a tempera painting.

Mr. Robert Grenert makes a round of the class to see that his world history students are preparing their lessons correctly.

Mr. Robert Scobey sits with his freshman history class while student teacher, Mr. Jack Atkins, instructs the class.

GUIDANCE DEPT. SPECIALIZES IN STUDENT PLACEMENT

Hard at work, Mr. Sterling tries to rearrange a schedule for another RF student in distress.

The guidance department plays an important part in the lives of students after graduation as well as during school. It helps prepare the student to become an active part of society.

Mr. Peter Sterling as head counselor coordinated students schedules. Mrs. Wanita Bailey, director of student personnel and guidance services, took charge of College Day, with the assistance of secretary Mrs. Lillian Semerau. As dean, Mr. Al Bromberg handled absences, discipline, and Armed Forces Day. Although Mrs. Amelia Carlson is not actually a part of the guidance department, she served as faculty secretary by helping teachers to better prepare for their classes.

COMPLEX BRINGS ON INNOVATIONS

Construction for the new \$650,000 addition to River Forest High was completed in July 1966. The complex includes new classrooms, individual study rooms, an auditorium, and a two-story library.

The addition brought many changes and innovations. The junior and senior high will now be combined, with classes held in both buildings.

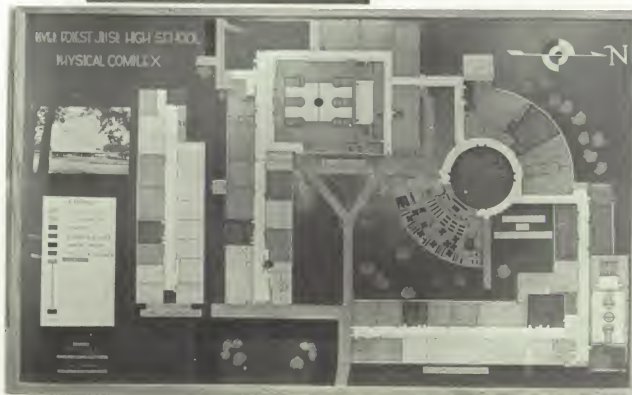

With more complicated curricula, computers will be used to arrange scheduling. Students will carry only six classes which consist primarily of four solids. For the able student, more time will be given over to research, with the auditorium used for lectures under the new team-teaching program.

Above: The new addition is shown in its early stages in September 1965.

Left: As spring arrives the addition begins to show signs of completion.

A large color layout of the new complex was displayed during the year in the main office.

LARGE SELECTION OF LANGUAGES OFFERED

Today many colleges and universities require at least two years of a foreign language. For a school the size of River Forest, a wide selection of foreign languages is offered. These include Spanish, French, and Latin taught by Mr. Richard Watson, French and German instructed by Mrs. Judith Watson, and Russian taught by Mr. Gene Adamczyk.

The department is proud of its well-equipped language laboratory. There students can hear the language they are studying on tapes by natives of that country.

Also, languages are being taught in the junior high. For every year of foreign language study, junior high students get one semester of high school credit. French and German are the only languages offered in the junior high as yet.

Shelly Disney and Jim Dixon receive individual instruction on their French lessons from Mrs. Watson.

Mr. Watson stands by while students listen to Spanish tape recordings in the language laboratory.

ENGLISH DEPT. EMPHASIZES COMMUNICATIONS SKILLS

The students at River Forest are required to have four years of English. The English department offers composition, literature, speech, journalism, and the opportunity to work on the "Melting Pot" newspaper, the "Ingot" yearbook, and the "Reflector" literary magazine.

Academic English classes are scheduled for college bound students. They prepare the students

by going deeper into the structure of the English language, by analyzing classic and contemporary novels, and by writing critical papers.

Non-academic classes mainly prepare students to take good English into the business world and into everyday living. Head of the department, Miss Betty Major, feels that English is really learning communication in all forms.

Mr. Garcia explains a grammatical detail to Alice Allen, while other members of the senior English class work on their semester term papers.

MR. EARL STUTDMANN

Mark Mullee and Larry Hartley receive instruction from Mr. Studtmann on the dissection of a cat in an advanced biology class.

One laboratory science course is required to qualify a student for graduation. Students may take physical science, or biology and, if they plan to minor or major in science, they may continue with chemistry, physics, or advanced biology.

On lab days Mr. Earl Studtmann and Mrs. Kathy Hooks instructed their biology classes in the proper methods of dissection and identification. Mr. Studtmann offered a more specific study of physiology in his advanced biology class and lab sessions were given over more to the individual student. Miss Diane Decker, who took the place of Mr. Henry Greischair at the beginning of the school year, taught physical science and physics. Chemistry labs were conducted under Mr. Donald Frame, who also taught a new class for the study of electricity.

Three physics students, John Stankovich, Larry Morgan, and Spencer Servey, work with a giant slide rule while Miss Decker and Wade Anderson watch the sparks fly on an electrostatic apparatus.

NEW MATH CLASS SLATED FOR NEXT YEAR

Classroom tracking in the math department provided each student with a class suited to his level of ability. General math, to reinforce basic concepts, was offered to students classified in low, middle-low, and middle groups. For the more advanced groups, those in the high, or high-middle groups, the offerings were algebra, geometry, trigonometry, and analytical math.

The math department also sponsored a guest speaker, Dr. Keller, who is assistant head of the department of mathematical science at Purdue University.

Next year a new math class will be offered to seniors tested out of Algebra I upon graduation from junior high and have satisfactorily passed geometry, algebra II and trigonometry. This is possible because of the "new math" programs instituted in the junior high during the last few years.

Mrs. Armstrong gives out problems to algebra students at the board in a quick quiz.

Mr. Tippet leads and encourages discussion on the Civil War among the juniors in his United States history class. The students divided themselves into North and South and debated the reasons for fighting the war.

HISTORY REQUIREMENT MOVED TO FRESHMAN YEAR

American history, world history, sociology, civics and economics were the courses offered by the social science department during the 1965-66 school year.

Beginning with the 1965-66 school year all freshmen were required to take United States history, thus eliminating it in their junior year. Seniors were required to have civics and economics in order to complete graduation requirements.

Sociology covered abundance and poverty, crime and delinquency, mental health, and mental illness, and marriage and divorce.

To aid in teaching the courses maps, globes, films and overhead projectors were used.

BUSINESS DEPT. TRAINS STUDENTS FOR FUTURE

The business world of today needs many skilled employees. Skills in business are developed through classroom instruction and practical application.

Students on the business curriculum take such courses as typing, shorthand, retailing and salesmanship, and office machines. For practical application, students may elect to work for office practice credit in the ele-

mentary, junior high or senior high school offices.

A new course, which prepares a student for work as a medical secretary, was opened to advanced business students and was taught by Mrs. Laura Langley.

Office machines class includes instruction on adding machines, duplicating machines, calculators and the telefax.

HOME ECONOMICS DEPT. USES VOCATIONAL APPROACH

Numerous things are required to be a successful homemaker. Meal planning, budgeting and sewing are some of the most important activities.

Alterations and tailor techniques were taught in tailoring class, while a combination of cooking, sewing and budgeting were taught in homemaking classes.

Two types of nursing courses were offered in the home economics department this year. Home nursing and child care were developed as prerequisites for a more extensive curriculum of practical nursing. Students of both nursing classes must have had at least one year of home economics classes.

Also offered this year by the home economics department were foods for boys classes taught by Mrs. Loretta Neidigh.

Mrs. Clark explains the basics of good sewing to Rose Sepanski and Audrey Thompson.

INDUSTRIAL ARTS CURRICULUM EXPLORES WORKING WORLD

To prepare students leaving high school to go into the industrial world, the industrial arts department was busy this year developing a more complete curriculum. This curriculum was aimed at exploring the industrial world of work. Basic skills offered on the program were electricity, wood-working, metal shop, and industrial drawings.

Various student projects are paid for through student fees. In wood shop, under the direction of Mr. Robert Henderson, boys make such items as bookcases, cabinets, and tables. Metal shop projects directed by Mr. James Ross include tool boxes and metal tools, while Mr. Thomas Szymczak's drafting classes plan various buildings and structures of today and tomorrow.

Mr. Szymczak instructs Richard Trickle as others in the drafting class concentrate on individual projects. Bruce Walters, Joe Lunghofer, and Chuck Ragon are shown at their desks.

Metal shop attracts many boys interested in going into one of the area's many industries. Dave Mefford and Alfred Poquette gain the experience of operating various machines themselves.

MUSIC AND ART DEVELOP CREATIVITY

Self-expression and cultural enrichment are an important part of a student's schooling. Mr. Anthony Koss, who instructs the various art classes, Mr. Rex L. Brown, who directs the choral groups, and Mr. James Bruton, who serves as band director, encourage a student to make use of his artistic or musical talents.

The first year of art includes different art media while the second year of art instruction and art seminar class cater more to the development of a student's individual technique. Choral groups at RF include the concert choir and the Bell-Ringers. Instrumental training lets a student participate in the concert band which performs at football game half-times and school assemblies or the pep band which plays at pep sessions and home basketball games.

The RF band goes into one of its marching formations as it performs during the half-times ceremony at a home football game.

Art instructor Mr. Koss watches his students as they shape clay into various forms.

PHYSICAL EDUCATION STRESSES SKILLS

Physical fitness is being stressed more and more every year, not only at River Forest but at almost every school in the nation. The required physical education class for freshmen gives them the fundamentals of widely known sports and teaches students the importance of keeping fit.

Students who wish to be leaders in athletic activities may join leadership P.E. which gives them instruction in canoeing, bowling, and in becoming counselors at the annual sixth grade camp held at Dunes State Park. Some of these students also become gym assistants in their junior and senior years. They help the teacher by keeping a class in order and individually showing a student how to better master a sport.

For sophomores, there is the required health and safety class which also teaches physical fitness but is mainly concerned with first aid and the well being of the body.

JUNIOR AND SENIOR HIGH LIBRARIES TO COMBINE IN NEW FACILITIES

September 1966, the RF student body will have the expanded services of the new two-story library constructed between the junior high and the senior high. Miss Mary Ann Herbert, librarian, and Mrs. Ruth Peters, assisting the librarian as clerk, believe the new library will be a great improvement. They feel that the added

space will allow record players to run and movies to be shown in the library without disturbing students as in the old library. There will also be the consolidation of the junior high and senior high libraries which will double the material and books available to students.

Mrs. Peters, library clerk, sits in her office located in the library.

Chuck Daughtery and Jeanie Brown are instructed in the operation of the motion picture projector by Miss Herbert, librarian.

Shown here is part of the maintenance crew, which includes Mr. Dale Baker, Mr. Joseph Hernandez, Mrs. Martha Hisey, Mrs. Louise Hernandez, and Mrs. Mary Fletcher.

CAFETERIA AND MAINTENANCE HELPS MAKE SCHOOL MORE ENJOYABLE

River Forest cafeteria staff with the aid of government surplus food provides approximately 165,600 meals per year to elementary, high school, and faculty members. On special occasions such as Thanksgiving, Christmas and Easter the cafeteria tried to provide meals to suit the festive occasions. Turkey dinners with all the trimmings were served at Thanksgiving and Christmas. Menus were published monthly and posted in every classroom.

The maintenance crew headed by Mr. Dale Baker, plays an important part in the appearance and the upkeep of RF. From changing light bulbs to cleaning up after dances, they are a familiar sight to students and teachers alike.

The cafeteria begins to fill up during the first lunch hour.

Brightening the cafeteria daily are Mrs. Sylvia Hoover, Mrs. Mildred Matheny, Mrs. Oyidal Isakson, Mrs. Irene Hoover, Mrs. Frank Magnuson, Mrs. Dorothy Garland, and Mrs. Josephine Cauley.

SOCIETY ENJOYS RUSSIAN-STYLE DINNER

As a related activity, Russian Society enjoyed a Russian-style meal served at St. Mary's Hall in Gary.

The purpose of the Russian Society is to acquaint its members with the culture of the Russian people and gain insight into their way of life.

Officers of the Russian Society were President Paul House, Vice president Lola Malek, Secretary-Treasurer Vera Kovacevic, and Mr. Gene Adamszyk served as sponsor.

Several bake sales in the junior high and elementary teachers' lounges helped sponsor the club's activities. The main money-making project came from sponsoring an after-game dance on February 19, following the River Forest-Portage basketball game. The music was provided by an area band called The Bickers.

Activities included a Russian dinner in the spring for club members. The dinner was held in the hall next to St. Mary's Russian Orthodox Church in Gary. The dinner was prepared by an organization within the Church of which Mr. Adamszyk is a member. After the dinner members of the Russian Society visited the inside of the Orthodox Church.

FRENCH CLUB PRESENTS "THE WAYFARERS"

The French Club, sponsored by Mrs. Judith Watson, began its first year at River Forest. The main objective of the French Club is to give students a greater insight of French culture and custom.

Officers of the new organization were President Halina Zerebecki, Vice President Lupe Gutierrez, Secretary-Treasurer Mikey Sue Lee, and Reporter-Historian,

Cindy Cauley.

During the year the club had several bake sales and used the proceeds to finance a trip to a French restaurant in Chicago in the spring. They also sponsored a program of "The Wayfarers," a folk-singing duo, on March 4.

F.T.A. ENCOURAGES TEACHER TRAINING

The Future Teachers of America was organized with a definite purpose—to give high school students who want to become teachers a chance to teach in the elementary and junior high grades.

Officers of the club during the year were President JoAnne Janiczek, Vice president Jim Sefcik, Secretary Diane Ranke, and Treasurer Gloria Tryon. Miss Betty Major served as club sponsor.

During their regular meetings every Monday after school, club members planned several bake sales and a carnation sale on Dress-up Day, April 1.

In the fall the organization travelled to Purdue University in West Lafayette for the annual high school day.

A spring excursion to Chicago had as its highlight "The Sound of Music."

FTA members saw "The Sound of Music" in Chicago as part of their spring excursion.

Vice president Gloria Tryon conducts a regular meeting held after school in room 104.

YOUTH FOR CHRIST STRESSES CHRISTIAN LIVING

The Youth For Christ club, sponsored by Miss Sawyer, held its meetings the second and fourth Thursday of each month. There were approximately fifteen members in the club this year, with President Sandy Whitson, Vice president Gloria Tryon, and Secretary-Treasurer Sharon Hinkle.

The primary objective of the YFC was to relate the life and problems of the outside world with

young Christian teenagers. Various guest speakers which helped to accomplish this included Reverend Frost and Reverend Brown, Miss Anderson, Mrs. Hinkle, Mrs. Clark, Miss Sawyer and Miss Laszlo.

This year the YFC sponsored one bake sale and entered a float in the homecoming parade entitled "Go ye into all the world and preach the Gospel."

B. U. A. G. BOOSTS ATHLETIC PROGRAMS

Football coach Mr. Al Bromberg feels that the purpose of the club can be found in its name, Better Understanding of Athletics for Girls. Its purpose is to acquaint girls with football, basketball, and track. The girls can get a better understanding of each sport by knowing more about the rules and regulations.

B.U.A.G. sponsors the annual powderpuff football game, where the girls wear football jerseys and put to use all the football information that they have learned. The game begins with the seniors against the juniors, and, at halftime, the sophomores play the freshmen.

Spirit Week was also innovated by B.U.A.G. this year to arouse and boost school spirit. "Spirit Week" will always be at the start of football season when RF meets its area rival, East Gary Edison. The second "Spirit Week" was later in the year during basketball season. Along with arousing school spirit it also creates a good competitive spirit between classes.

The profits from all B.U.A.G. money making projects have gone to the athletic fund. This year the proceeds from the powderpuff game went toward the new football scoreboard and also for new basketball, track, and wrestling equipment.

INTER-SCHOOL GAMES HIGHLIGHT GAA

Girls Athletic Association included approximately 60 girls this year. Field hockey, volleyball and basketball were the sports that were played in inter-school competition. Some of the schools that were included in this program are East Gary, Portage, Chesterton, Hammond, Dyer, and Crown Point.

The main purpose of the G.A.A. is to promote sportsmanlike activity and to teach athletics to girls. It serves an active part of the national fitness program endorsed by President Johnson.

Social events for the year included a get-acquainted party, slumber party, hayride, and Play-day. Some of the many athletic activities were a canoe trip, G.A.A. State Leadership Camp, Sports Day, Faculty vs G.A.A. All-star basketball game, and a class tourney.

The RF athletic department turned out a fine crop of lettermen during the 1965-66 school year. Although the team records were not the best ones RF has enjoyed in recent years, the boys put forth a tremendous effort to aid their teams.

An athletic banquet was held in May to honor the athletic department, cheerleaders, and all of the lettermen.

CHANGES CHARACTERIZE SCHOOL PUBLICATIONS

Seated left to right, Gail Cooper, Alice Allen, Carol Davis, JoAnne Hanson. Standing, Beverly Mast, sponsor Miss Brand, Vera Kovacevic.

This year's journalism activities saw many changes. First of the changes was a new sponsor, Miss Marilyn Brand, who was a graduate assistant in journalism at Ball State University last year. Mr. Morris Satterfield, now a member of the Ball State University News Bureau, was sponsor last year. Another change was that the yearbook staff also published the Reflector, school literary magazine. In previous years the Reflector has been published independently of the yearbook.

The journalism classes had the responsibility for publishing the Melting Pot and the '66 Ingot Yearbook. Editing the Melting Pot was Alice Allen, while Vera Kovacevic directed the Ingot. The 1965 Ingot received a first class rating from Columbia Scholastic Press Association and a second class rating from the National Scholastic Press Association. STUDENT COUNCIL COLLECTS CANS FOR NEEDY

President of the senior class, Paul House, stands in front of some of the produce brought in before Christmas for the annual Can Drive. He is holding the plaque which was presented to the senior class for bringing in the most cans. The sophomore class came in second.

Student Council, responsible for such events as Homecoming, Charity Week, and the Christmas Can Drive, is the organ of student government at River Forest.

It promotes better relations between the student body, the faculty, and the local community. Membership is obtained when each homeroom elects a student to represent them on the council. All activities of other school organizations are regulated by the Student Council which strives to give River Forest the extracurricular activities needed for greater student participation.

This year's officers are as follows: Mike Mullee, president; Paul House, vice president; Alice Allen, secretary; Georgiann Miller, treasurer; Evelyn Spiegla, reporter-historian. The council is sponsored by Mr. LaBounty.

FOUR TRAITS DETERMINE HONOR SOCIETY MEMBERSHIP

To be inducted into the Joe Magarac chapter of the National Honor Society as a sophomore, a student must have a 3.5 grade average. As a junior, a 3.3 average and as a senior, a 3.0 average are required. But, high grades are not the only qualifications to gain membership. Leadership, scholarship, service, and character are all traits of this organization, according to Mr. Robert Grenert, sponsor.

The sale of ice cream at lunch hour and the cleaning

up of the median on Huber Blvd. are both activities of the Honor Society.

On March 23, fifteen new members were inducted into the society. A get-acquainted party was held the same week so that new and old members could meet one another.

After the induction the organization planned their annual car wash and a couple field trips.

Behind the four candles of scholarship, character, leadership, and service are seated the new Honor Society members, W. Anderson, D. Batusic, M. Hurnick, L. Oslizlo, P. Fonseca, E. Johnson, K. CHORAL DEPARTMENT LARGEST IN 6 YEARS

Mr. Rex L. Brown has been choral director at RF for the last six years. This year Mr. Brown directed the largest choir in the history of the choral department.

Concert Choir has been in existence for seven years. It performs at various programs such as assemblies for the school, exchange concerts with surrounding schools, and church concerts.

The choral department, combined with the drama department, presented its third musical, "Oklahoma," in 1966. It has also participated in the production of "Brigadoon" and "Sound of Music."

The hand-bell choir, conducted by Mr. Brown, is in its third consecutive year. Its programs have been very successful and well received by both students and organizations outside the school.

Since its formation, the band has increased in membership and has provided the community with many musical programs. It performs at numerous school functions such as marching during half-time at home football games and providing music for pep sessions and home basketball games.

Outside of school band members participate in the annual state band contest and in the annual solo and ensemble contest. The

BETTER UNDERSTANDING OF ATHLETICS FOR GIRLS ESTABLISHES "SPIRIT WEEK"

Helium filled balloons were the pride of the sophomore class which released them during the school song.

B.U.A.G., designed to better acquaint girls with sports, established Spirit Week to boost the competitive spirit in the entire school.

The first Spirit Week, September 27–October 1, was held during the football season prior to the home game against East Gary. Equipped with hats, signs, balloons, and just plain spirit, the students gave such a display that they were highly commended by Principal Richard G. Abel and by coach Mr. Al Bromberg. The Ingots went on to hand East Gary Edison a 13-0 defeat, the first time in 4 years that R.F. has beaten its area rival in football.

The second Spirit Week was December 6 to boost the Ingot basketball team on its way in the '65-'66 season. But the Ingots lost their home game against Hobart 63-57. Spirit Week was set up for each class to have a day in which to display spirit. Friday, Ingot Day, was wrapped up with a pep session.

The senior section showed their enthusiasm by a display of colorful signs and hats during the first Spirit Week pep session.

The senior team shown here in their dark jerseys were coached by Dave Lile, Dennis Ellis, and Butch Hartgraves. They were shouted on to victory by their cheerleaders John Thomas, Jeffery Morris, Marvin Hultnick, and Ralph Trickel.

BIRCH BAYH BACKS "STUDENT PARTICIPATION"

Senator Birch Bayh speaks from the RF podium on student government while principal Mr. Abel listens on stage.

Birch Bayh, junior senator from Indiana, is an active congressman. On Capitol Hill he has sponsored such important measures as the 26th Amendment to the U.S. constitution which defines presidential succession. Yet, despite his many Congressional duties, Senator Bayh found time to visit River Forest, Oct. 18, and speak to the student body on "Government Participation."

Because his schedule was running overtime, Senator Bayh's speech had to be cut short, but he still managed to convey his point on student participation in government. He stressed that the student body should never lack initiative when there is a job to be completed, but should work together and, above all, win together.

Senator Bayh (second from right) speaks to Mike Mullee, president of Student Council. Also shown are Mr. William Purcell, superintendent of Lake County schools, at far left, and Mr. Zalas, assistant principal.

FIVE RF STUDENTS PARTICIPATE IN HOOSIER STATE

In the summer of 1965 five River Forest students participated in the Hoosier State Week, held at Indiana University, Bloomington Campus. They were selected by American Legion Post 454 on the basis of grades, school participation, and personality.

Hoosier State is a mythical state formed by girls and boys who have finished their junior year in high school. They come together from every part of Indiana, girls one week and boys the next, and are given the opportunity to live together as self-governing citizens.

They learn the duties, privileges, rights and responsibilities of American citizens. They also gain practical knowledge of the functioning of their government and become better prepared to be future intelligent voters and office holders of America.

Harry George (11) gets smothered by a mob of Gavitt players as the referee calls the play dead, while George Gordon (81) and Tom Hardesty (53) rush forward to see the call.

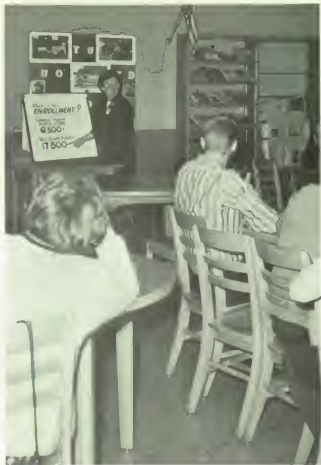

Homecoming, Oct. 25, found River Forest playing the Gladiators of Hammond Gavitt. The game was played on Madden Field where the Ingots scrambled for a victory but came up on the short end of a 32-6 score.

Prior to the game a parade of floats and cars wound through the area. During half-time the candidates for homecoming queen and her court along with the floats circled the field. The plaque for the best float was then presented to the senior class for its huge steam iron which illustrated the "Press on to Victory". Second place went to the sophomore class.

During the last minutes of the half-time ceremonies Mike Mullee, president of Student Council, announced the selection of senior Pam Kresnocky as homecoming queen. Miss Rosa Seals, homecoming queen of 1961-62, placed the crown on her head. The court included senior Linda Bailey, maid of honor, junior Teresa Trojan, sophomore Cindi Cauley, and freshman Diane Tabla.

Following the game an informal dance which honored the class of 1962 was held in the high school cafeteria with music by the Basooties.

Students who were scheduled for the Scholastic Aptitude Tests, the Preliminary Scholastic Aptitude Tests, or those sophomores who had been recommended by their English teachers were eligible for the visitations with the college representatives.

Those colleges and universities which sent representatives to River Forest were Purdue University, Indiana University, Indiana State University, Evansville College, Ball State University, Valparaiso University, Butler University, Manchester College, Rose Polytechnic Institute, Tri-State College, and Valparaiso Technical Institute.

Shown here are various college representatives and Mr. Sterling, guidance counselor, and Mr. Zalas, assistant principal, eating a lunch prepared by the boys foods class.

Each year for the past six years River Forest has conducted an annual Armed Forces Day for all senior boys and girls, or other students who are 18 years of age before Feb. 1.

This event was coordinated, this year by Mr. Al Bromberg, school dean. Purpose of Armed Forces Day is to give helpful information to those who are seriously thinking about entering the service. It explains educational and career opportunities to girls as well as boys.

Representatives came to R.F. from every branch of the armed forces. For the Navy there was Chief Evans; for the Coast Guard, Chief Penperthy; for the Army, Sergeant Dickerson; for the Marines, Sergeant White; for the Air Force, Sergeant Niles; for the Wacs, Sergeant Chicks; and Miss Sullivan for the Waves.

ACTIVE WEEK INFLUENCES CAREERS

Hammond Beauty College students gave demonstrations of high fashion hair styling and discussed career possibilities for hair stylists.

Apprenticeships were of interest to many RF students. Industrial representatives answered many questions.

Career Week this year, April 17-21, was extended to five days rather than the previous one day session. The program was aimed at specific areas in all types of work. Mr. Al Bromberg, dean of students, correlated the program.

Representatives from the large local corporations of United States Steel, Inland Steel, and Bethlehem Steel held sessions for clerical work, mill work, and apprenticeships. A special session was held by U.S. Steel for college-bound students looking for summer work.

Other industries which were represented were construction, data processing, skilled trades, architectural technology, modeling, pharmacy, stenotype, sales, airline stewardess, and beauty culture.

Engineering was emphasized by a Purdue University sponsored panel of engineers with Dr. Zooker presiding.

Careers in registered nursing were discussed by Mrs. Woodford of Purdue University Calumet-Campus and Mrs. Damewood who represented Indiana University-Northwest Campus.

Many sessions drew as many as 100 students eager to learn of future career opportunities.

Architectural technology was one new field which drew the attention of RF students.

Registered nursing had many crowded sessions. With courses of practical nursing offered in high school, enthusiasm was high.

CONVICTS STAGE CRIME PREVENTION SKIT

Convicts from the Indiana State prison in Michigan City visited River Forest on Feb. 25 to tell the students that in effect "crime doesn't pay."

The crime skit consisted of 5 convicts, four serving life sentences and the other one 35 years, who told of their lives in prison and the reason why they were there.

One of the convicts, a blind man, had shot himself between the eyes so that he wouldn't have to return to prison, but he was not only permanently blinded, but lived to go to prison. Another convict had entered prison for murder at the age of 15.

Convict Steve Maljak leads the discussion among the prisoners from behind "cell walls."

"SOUND OF MUSIC" STAGED IN MAY 1965

For the second consecutive year River Forest High School's drama and music departments have collaborated to present to the student body and community with a musical comedy.

Mr. Tom Hontz, drama instructor, with Mr. Rex Brown, head of the music department, were co-directors of Rodgers' and Hammer-

stein's "Sound of Music," which was presented on May 7, 8, and 9 of 1965.

The play is the deeply moving story of the famous Singing Von Trapps, which takes place in Austria before World War II. Captain Von Trapp, widower with seven children, secures Maria Rainer, a postulant at a nearby convent, as a governess. They invariably fall in love and marry. In the midst of a Nazi takeover, the family escapes to Switzerland.

"AM AHL" PRESENTATION DRAWS 800

The River Forest production of "Amahl and the Night Visitors," NBC's annual Christmas special, was presented in the High School Gymnasium Dec. 2 & 3. The play was directed by Mr. Tom Hontz, drama instructor, and Mr. Rex Brown, choral director.

It is a story of a young crippled shepherd boy and his widow mother. Living in poverty, they are amazed upon the arrival of the Three Kings who bear gifts which they will present to the infant Jesus.

In the end, a miracle takes place and Amahl walks. He sets out with the Three Kings to thank the Child himself.

"OKLAHOMA" PLAYS TO FULL HOUSE

River Forest's music and drama departments combined in the spring of 1966 for the production of Rodgers' and Hammerstein's musical comedy "Oklahoma." Mr. Tom Hontz took charge of the acting and Mr. Rex Brown directed the musical segments. The lively play drew large crowds for all three of its performances, May 6, 7, and 8.

The story takes place in the Oklahoma Territory when the ranchers and farmers were at odds with each other. Curley, a young cowboy, is in love with Laurey Williams, who with her Aunt Eller lives on a farm which they manage. Ado Annie and Will Parker make up the romantic couple whose antics provide much of the comedy in "Oklahoma."

Other main characters include Jud Fry, the dirty farmhand who complicates matters for Curley and Laurey by getting himself killed on their wedding day, and Ali Hakim, the Persian peddler who comes between Annie and Will but ends up being hooked by town flirt Gertie Cummings.

DANCE CLIMAXES CHARITY WEEK

Charity Week, sponsored annually by Student Council, was climaxed in 1966 with a dance featuring the Five Empees and disc-jockey Ron Borden of WLTH Radio in Gary.

Senior Linda Bailey was crowned Charity Queen at the dance. Her court included Maid of Honor Pam Kresnocky, Judy Tabla, Genny Zulich, and Patsy Binkley. Seniors Marvin Hutnick and Florian Wengel were named Court Jesters. Charity Queen and Jesters were selected on the basis of the money they collected during the week.

The dance brought an end to a week of activities, April 11-16. Slave sales, talent shows, and other money-making projects were held during lunch hour and after school.

Proceeds went to such charities as March of Dimes, Care, and the Cancer Society. Part of the money was held for a Student Council scholarship which went to some RF senior.

'65 TURN-ABOUT FEATURES "THE KING OF HEARTS"

The 1965 Turn-About dance was sponsored by the class of '65. The annual semi-formal affair, when the girls ask the guys, was held on April 2 in the cafeteria and gym lobby.

Decorations were hearts and large playing cards portraying the theme, "The King of Hearts." Cake and punch were served to couples at small decorated tables in the gym lobby. The musical entertainment was provided by Fuzzy and His Fendermen.

A committee of seniors and senior class officers, assisted by class sponsor Mrs. Laura E. Langley, organized the affair.

GIRLS ASK FAVORITE "ALFREDS" TO TURN-ABOUT

"Alfred in Wonderland," a theme which honored the imaginary idol of all girls, was used by the Class of 1966 for the annually held senior-sponsored Turn-About Dance.

The spring event was held in the high school gymnasium for the first time, due to the increase in attendance since the dance was first held six years ago. Over 100 couples attended the affair on April 1, 1966.

Decorations were used to separate the table area from the dance floor. Characters from *Alice in Wonderland* were table centerpieces, and refreshments were served in the rear of the gym.

Couples were entertained by The Basooties, while pictures were taken by Jerry Ballog Studios. A senior committee headed by class sponsor Mrs. Viola Soderstrom was responsible for the dance.

'65 PROM ENTITLED "ROMAN HOLIDAY"

Live gardens filled with small statues and fountains made up the entrance to the '65 Junior-Senior Prom entitled "Roman Holiday." The formal affair was held May 15 in the high school gymnasium.

Colored lights in front of the stage lit up the large fountain filled with trickling water and large blue flowers. To emphasize the theme large white columns lined the gym and low white fences separated the table areas from the dance floor.

Artificial red roses were draped on the fences and strung along the dark blue crepe paper ceiling. Murals of Roman splendor lined the gym and gym lobby.

The musical mood of the prom was provided by Jimmy Noland and his Orchestra. The post-prom party was held at Tinker's Dam, where The Blue Angels played the faster tempo for dancing.

A junior committee headed by Vera Kovacevic and class sponsors Miss Arlene Miller and Mrs. Viola Soderstrom was responsible for the event.

Also in 1966, guest speakers were invited by various departments to speak on related subjects. Band director, Mr. James Bruton, arranged several musical assemblies during the school year. On January 28, University of Louisville, Kentucky, band

played at River Forest. A night performance was given for students and parents by the Butler University Wind Ensemble. The blue-clad Liberty Township High School Band was also well received by the student body, during an assembly on March 9.

A crime prevention program presented by five convicts from the Indiana State Prison at Michigan City was one of the highlights of the year's assemblies. Honor Day, Honor Society initiation, and a wrestling exhibition were others.

RF GRIDIRON SQUAD SEASON

A team must have many combinations, the main ones being spirit, desire, and hustle. River Forest's 1965-66 football squad had these combinations and compiled a 4-5 record. After dropping the first two games, the Ingots picked up four victories in a row.

The first win came on Parents' Night when the RF team handed Culver Military Academy a 13-7 defeat. Eugene Gil de Montes led the way with over 100 yards on the ground while co-captain Harry George pushed through for the first Ingot score of the season and Rich Zimmerman kicked for the extra point.

On Sept. 24, Knox visited the Ingot field but went home on the short end of a 19-13 score. The attack was again led by Gil de Montes, who carried for a school record in yards rushing with 193 yards. The combined efforts of the Ingot backfield pushed halfback George and quarterback Fred Lee over for touchdowns. With three minutes remaining, the score was tied 13-13. The Indians tried to pass from their 12 yard line, but defensive halfback Rich Gearhart intercepted and ran 31 yards for the winning score.

The game which stirred the most enthusiasm was when the Ingots beat the East Gary Eagles 13-0. Scoring was scarce with the game being played mostly at midfield. Both Ingot scores came during the first half from runs

The Ingot defense waits for the call from Coach Bromberg for them to get in the action on the field.

by Gil de Montes and George, with Rich Zimmerman's extra point making the score 13-0.

The Ingots came back from North Judson with their fourth win in a row, 27-18. At the half RF trailed 12-7 but rallied in the last half to score three touchdowns. The last score came with no time left on the clock, after linebacker Tom Hardesty caused a Blue Jay fumble and defensive halfback Rich Gearhart raced 32 yards for the score. Ingot scores also came from halfback George, who accounted for two touchdowns, and halfback Gil de Montes, who carried for over 130 yards and a score. The other Ingot score came when the RF defense caught a Blue Jay back in the endzone for a safety.

The Ingots met Andean on Oct. 15, losing 20-6 on the scoreboard but topping the 59er's in the statistics book. And-Homecoming found the Ingots repeating themselves by beating Gavitt in the record book but not on the scoreboard. The Ingot defensive line held the Hammond squad to only two first downs while the Ingots ran for 14 firsts.

Before a home crowd the Ingots were held from a winning season as Gary Edison stopped them in the last game 20-19. Gil de Montes scored two TD's and an extra point as he traveled 166 yards. George also took the ball across the goal line as he neared the 100 mark in rushing.

J.V. football team, bottom row: R. Monroe, J. Sandala, J. Klutts, C. Allen, D. Puskarich, D. Baldauf, E. Trusky. Second row: H. Sosa, K. Kuechenberg, R. Gasper, R. Gasper, W. Duxtater, T. Vasquez, B. INEXPERIENCED JUNIOR VARSITY HAS DIM SEASON

The first losing season in the history of junior varsity football at RF came during the '65-'66 season as the Ingots failed to capture a victory. The only bright spot came when the freshman team overcame the Wirt Troopers, 14-6, before cancelling their schedule. The freshmen were then moved up to fill the vacancies left in the J.V. team by those sophomores and juniors who were moved up to play on the varsity.

This left an inexperienced junior varsity group which dropped eight straight games. Ironically, the first loss came at the hands of the Wirt Troopers whose varsity team also handed the Ingot varsity a defeat in its season opener.

Andrean and East Gary were the scenes of near victories for the RF junior varsity. The Ingots trailed Andrean at the half by a point but were stopped in the second half by the 59'ers who went on to win 26-12.

When the Ingots traveled to East Gary to meet the Eagles, they came up short, 8-0. An Ingot touchdown was made by halfback Manuel Ortiz on a 70 yard run but was called back on a technicality.

Ortiz, a freshman proved himself a capable runner by scoring all of the junior varsity T.D.'s made this season. Tony Vasquez was another notable who led the Ingot attack, while sophomore Nick Waluszko and freshman John Thomas alternated in the quarterback spot.

VARSITY BASKETBALL COMPLETES 3-17 SEASON

The Ingot varsity basketball squad compiled a disappointing 3-17 record this season. The Ingots began the season with a victory over Dyer, 55-54, only to face a month of hardships until they defeated South Bend Jackson with a score of 88-72. The Ingots' final victory was over Wheeler, 87-72, which was the last game of the 1966 season. Another setback came with the East Gary Tourney in which RF finished last against three area rivals.

This year the scoring attack was led by sophomore Chuck Burton, who had a 14.2 point average per game and a total of 283 points for the season. Senior center Jim Phillips followed with 240 points, and Steve Disney, also a senior, finished with 196 points. The Ingot rebounding was led by Jim Phillips who grabbed a total of 116 rebounds, while Steve Disney was right behind him with a total of 106 rebounds.

For the 1967 season the Ingots will have four returning starters. They are juniors Jim Kochan, George Gordon, and Larry Hartley, and sophomore Chuck Burton, all of whom have worked well with their senior partners.

Chuck Burton (24) makes a one-hand lay-up during the Andreen game.

Coached by Mr. Joe Burleson, the junior varsity basketball team posted a 8-10 season. The most significant wins were over area rivals East Gary, Portage, and Hobart.

Leading scorer in total points for the season was sophomore Rich Gearhart with 174 points, followed by junior Mitchell Orange who accumulated 126. Orange also took rebounding honors with 130 for the year, while teammate Gearhart grabbed 104 rebounds.

TRACKMEN RUN 7-4 SEASON RECORD

The 1966 Ingot track team had a record of seven wins and four losses. The speedsters also placed third in the Chesterton Relays, second in the Andrean Relays, and won first place in the Rennselaer Relays.

A total of nine new school records were made, including Gary Stevens, 220 yard dash in 22.6 seconds; Garry Erny, high hurdles in 15.2 seconds; Gary Stevens, low hurdles in 20.6 seconds; Robert Burrell, long jump of 20 feet 9 inches; mile relay team of Garry Erny, Mike Bernacet, Robert Burrell, and David Soderquist in 3 minutes 35.9 seconds; and David Soderquist, two mile run in 10 minutes 44 seconds.

In sectional competition, Gary Stevens placed second in the low hurdles and John Thomas placed fourth in the pole-vault.

Seniors Richard Zimmerman, Jerry Vanderplough, Gary Stevens and Ralph Trickle are the only lettermen who will not be returning for next year's team.

Gary Stevens was high point man for the season with 78½ points.

Freshman John Thomas practices his specialty, pole-vaulting, during an after-school practice.

Everyone watches the board to see if Evan Johnson "scratched" before leaping in the air for the long jump event.

Right: Senior Gary Stevens finishes far ahead of the field in the 220 yard low hurdles in a dual meet against Wheeler held at Mad-den Field.

Junior Walter Williams finishes the 440 yard dash in a junior varsity meet against Bishop Noll.

Right: Junior Larry Hartley tries to clear the high jump bar during a meet against the East Gary Eagles.

Left: Richard Zimmerman and his opponent from Bishop Noll are caught in mid-air as the high hurdle event is run at Madden Field.

River Forest linksmen coached by Mr. Ben Zalas in their fourth year of varsity golf registered a 7-7 season in 1966.

Senior Mike Mullee maintained a 39-stroke average for nine holes for the season and received a medal in the Lew Wallace match. Junior Mark Mullee gained a medal in the first match against Portage at Cressmoor Country Club.

In the Dyer Invitational in which Andean took first place River Forest finished 19 out of 26 teams. In sectional competition the Ingot linksmen were 28th out of 39 competing teams. Mike Mullee did not play in the sectionals because of illness.

'65 CINDERMEN POST 2-5 SEASON

The 1964-1965 Ingot cindermen, coached by Mr. Robert Marszalek, had a season of 2-5 in rugged dual meets and took a first, second, and third in three triangular meets. However, the Ingot track men proved they could win when the incentive of area rivalry was present. For instance, in the Hobart Invitational the Ingots placed second, being nudged out only by Hobart while beating Chesterton and Portage to whom they lost in regular season play.

Fourteen lettermen were returning for the 1965-66 track season. One of them, Gary Stevens, broke the school record twice in the 120 yard low hurdles with his best time 21.2 seconds.

The managers of the track team were Rick Harris, Ron Mietzner, and Kerry Newcom.

Lonnie Minarich finishes 440-yard run in first place as coach Mr. Logan clicks stop-watch to record time.

The 1965 Ingot track team, bottom row: M. Rodriguez, A. Watts, M. Ramsay, D. Villigran, J. Vanderplough, G. Gordon, J. Kochan, B. Burrell, D. Blystone, P. Peters. Row two: Coach Marszalek, C. '65 LINKSMEN HAD FAIR GOLF SEASON

Ingot linksmen had a fair golf season in the spring of '65. They lost their season opener against Lew Wallace but topped Portage in the next meet. After falling to Merrillville, the RF golfers won their next three matches by stopping Chesterton, Portage, and Gary Emerson.

The Dyer Invitational found the Ingots placing ninth out of 36 schools. Then, losing to the Hobart team, the golf record between the two area rivals was tied at 2-2 for the last four seasons.

Andean, the Dyer Invitational runner-up, met RF at home and both teams played the best golf in the history of their respective schools. But the 59'ers still bettered the Ingots with a score of 145-159. (low score wins)

In the LaPorte Invitational, the RF linksmen dropped meets to Horace Mann and Griffith, and then recovered to defeat Chester-ton and Andean. Placing ninth in the Golf Sectionals, the Ingots competed with 35 other schools in the 18 hole tourney.

Senior Dave Lile demonstrates the correct follow-through needed for a good game of golf.

Coach Mr. Zalas and four of the top RF golfers of the '65 season take time out on the course for some fun. The object in Mark Mullee's mouth is a golf ball, of course.

Freshman cheerleaders, bottom row: S. Schlitz, D. Biel, C. Nance. Row two: J. Lamb, P. Reynolds, D. Tabla.

Junior varsity cheerleaders, bottom row: C. Summar, B. Irby, M. Lee. Row two: S. Disney, K. Zalas.

Varsity cheerleaders: F. Prusinski, J. Tabla, D. Pritchett, L. Ragon, R. Nance.

CHEERLEADERS SYMBOLIZE SCHOOL SPIRIT

The River Forest cheerleaders of all three squads have ended another year with many thrilling experiences behind them. Their vigor and enthusiasm lasted through every game, whatever the score.

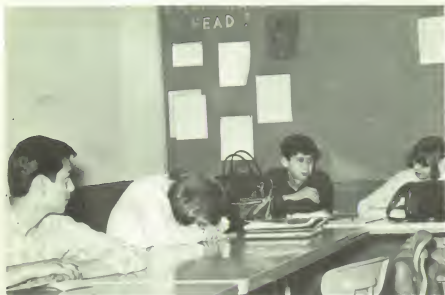

No pep session, basketball game, or football game would be complete without the yells of the cheerleaders and their cries of "You can cheer louder than that!" Their ideas for each pep session

were cute and original, for they wanted the boys on the team to always know that RF was backing them.

The varsity and junior varsity squads were chosen by teachers and Student Council representatives, while the freshman cheerleaders were picked by the varsity squad and a committee of teachers.

Varsity cheerleaders line up between the parents of football players on Parents' Night held on Sept. 18.

Seeking to enrich their knowledge by reading, students Dave Soto, Judy Leslie, Steve Morris, and Candy Phelps take advantage of their study time.

An unidentified student seeks out the seclusion of the science department greenhouse to concentrate on his comic book.

"Where's your pass?" is a familiar call from hall monitor Doug Riffle as Mr. Frame catches Doug and Dave Gawor in the hall.

Sophomores Mary Coban and Carol Nagy get a drink at the fountain during a class break.

STUDENTS

Secretary Carol Davis reads the minutes at a senior class meeting.

Jon Semerau, Phil Peters, John Stankovich and Richard Trickle look on as Martin Beck acts like a mad scientist during a chemistry lab.

Enthusiastic students rush down the main hall following a pep session prior to a basketball game with the East Gary Eagles, the Ingots' traditional rival.

Mrs. Viola Soderstrom reads as one of the senior English classes listens attentively.

The junior varsity cheerleaders, Carolyn Summar, Kathy Zalas, Mikey Sue Lee and Barb Irby, practice after school in the hallway.

Sigmund Trzebski and Bill Huddleston look over a plan for their metal shop projects.

Mr. Frame watches Mr. Bromberg, school dean, exercise his swinging arm on Mark Lee, who doesn't look worried because of the book he is holding.

Freshman students take their places in their section 9-1 homeroom.

Bob Burton and Doug Julian watch a fellow classmate shoot free throws in boys P.E. class.

Freshman Ralston Bowles goes over a geometry theorem with Mrs. Karen Spackey.

Freshmen Greta Karas and Peggy Fugate perform calisthenics in their required physical education class.

Tony Vasquez whoops it up as the lone cheerleader for the freshman squad during the powderpuff football game.

An open book can open doors

In our recruiting we ask that applicants have completed their High School education. That's because we try always to fill higher, more responsible jobs from the ranks of our employees. And the records show—the better the employee's education, the better he is at his job—and the better he does for himself.

Inland employees continue to gain knowledge and experience in special trades through formal apprenticeship programs offered in the following trades—Machinist,

Patternmaking, Boilermaking, Welding, Shop Electrician, Wireman, Mason and Pipefitter.

Many concentrate on certain phases of steelmaking by working in production while others work in laboratories helping to assure quality or developing new and better products for our customers.

How about you? Inland Steel is steadily expanding. More and more opportunities will be open to you as our growth continues. Are you ready?
